

# Paralyzed Veterans of America

Spinal Cord Injury Education & Training Foundation

## IMPACTING LIVES THROUGH EDUCATION: Funding Projects to Enhance Life After SCI/D

### 2020 GRANT CYCLE OPENS SEPTEMBER 1

Paralyzed Veterans of America Spinal Cord Injury Education & Training Foundation has funded projects, conferences and symposia in the hopes of improving the lives of patients with spinal cord injury/disease (SCI/D) for more than a decade.

Awards will be made in May 2020 for the grant period of June 1, 2020–May 31, 2021. The 2020 maximum award is \$50,000 for a grant project and \$15,000 for a conference or symposium.

### SIX TYPES OF FUNDED PROJECTS

- Consumer, Caregiver & Community Education
- Professional Development & Education
- Consumer Guides
- Research Utilization & Dissemination
- Assistive Technology
- Conferences & Symposia

All applications must be submitted online by **December 2, 2019**.

Apply at: <https://pva.aibs.org>

*Late applications will not be accepted.*
